# INSTALERT VARIABLE MESSAGE SIGN

## Rapidly Display Custom Messages

Manage traffic flow, share operations information, and display park rules with high visibility.

**GSA Contract Number: GS-07F-6092R**

### REMOTE MANAGEMENT

Change/schedule messages and monitor battery levels remotely from your computer, tablet, or phone using TraffiCloud® software. Message displays update in a matter of minutes!

### PORTABILITY

InstAlert 24 is the only sign on the market that folds in half for easy transport in the trunk of a vehicle. Deploy in minutes on a portable post, trailer, pole, or hitch mount.

### RUGGED DURABILITY

InstAlert is shatterproof, graffiti-resistant, and built to last for a decade or more in all weather conditions.

### VERSATILE MESSAGING

Display up to six different screens of custom text and/or graphics.

### MADE IN THE USA

Our signs and trailers are engineered and manufactured at our State College, Pennsylvania production facility in compliance with the Buy America Act and the Buy American Act.
