

# HOW TO UPGRADE YOUR ATS SIGN TO INTEGRATED SOLAR POWER

---

**STEP 1:** Place an order for an integrated solar power retrofit

**STEP 2:** We will send you a shipping box to send your sign back to us (if needed)

**STEP 3:** Ship your sign to the address we provide

**STEP 4:** Our Technicians will upgrade your sign and mail it back to you

**STEP 5:** Once received, simply plug your existing solar panel into your sign
