SOLUTIONS

OVER
20 YEARS
OF SERVICE TO
LAW ENFORCEMENT

Solutions for Law Enforcement

**PORTABLE TOOLS TO REDUCE SPEEDING,
SHARE ALERTS & COLLECT DATA**

AllTrafficSolutions.com

 **MADE IN THE USA**

Improve Traffic Safety, Share Alerts, Collect Traffic Data & Resolve Speeding Complaints Fast

ATS makes portable, rugged traffic safety solutions for law enforcement that deliver measurable results while saving you time.

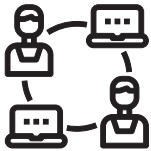

TRUSTED BY THOUSANDS OF LAW ENFORCEMENT AGENCIES NATIONWIDE

Most ATS signs are still in use after 10 or even 15 years! Here's why:

PORTABILITY & FAST SETUP

One person can quickly mount our signs on a portable post, pole, vehicle hitch, or trailer. Easily move signs around as your needs change!

REMOTE MANAGEMENT

Change and preschedule sign messages, view the status and locations of all your signs, manage traffic data, and set up text or email alerts for low batteries and tampering using our online TrafficCloud® remote management platform.*

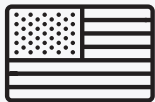

DURABLE CONSTRUCTION

Our signs are shatterproof, graffiti-resistant, and weatherproof to withstand heavy rain, snow, extreme temperatures, and high winds.

BEST WARRANTY PLANS ON THE MARKET

All ATS customers get a 3-year manufacturer's warranty, and TrafficCloud subscribers get a Premier Care warranty on all their ATS signs. Premier Care includes hardware defect repairs for the entire product lifespan and discounts on other repairs and accessories.

MADE IN THE USA

ATS signs and trailers are engineered and manufactured in the United States in compliance with the Buy America Act and the Buy American Act. We also offer US-based customer support and complimentary one-on-one virtual product trainings.

“I can see a significant change in speed patterns in the Township. I really can’t say enough good things about the sign and about All Traffic Solutions.”

Chief Shawn Rentz, Kinsman Township (OH) Police Department

SHIELD RADAR SPEED SIGN

Effectively reduce speeding and resolve neighborhood speeding complaints with portable signs that are easy to move as needed.

TRAFFIC CALMING

Display the speed of approaching vehicles and flash a strobe to warn speeding drivers to slow down.

DATA COLLECTION

Collect speed and volume data and download ready-made reports through TraffiCloud to efficiently resolve speeding complaints.

PORTABILITY

Shield is easy to securely install on a signpost in a matter of minutes, and is lightweight without compromising on durability.

Shield 12

Optional yellow wrap

ATS 3 trailer mount

Shield 15

Optional white wrap

ATS 3 trailer mount

“The speed sign is so versatile and the quality is second to none. The possibilities seem endless for its use in our town.”

Chief Chris Hatton, Sylva (NC) Police Department

SPEEDALERT RADAR MESSAGE SIGN

Reduce speeding, share information, and collect traffic data with one multipurpose and portable sign.

SPEED-DEPENDENT MESSAGING

Show the speed of approaching vehicles and display custom messages to drivers traveling at different speeds. Warn speeding drivers to slow down and thank compliant drivers for driving safely.

DATA COLLECTION

Collect speed and volume data, even while the sign is in message mode.

VARIABLE MESSAGING

Use as a variable message sign to display multiple screens of custom text and graphics.

ATS 5 trailer mount

Hitch mount

Portable post mount

“ We now have dual-purpose speed and message trailers that provide valuable data we can use to clear complaints and calm traffic.”

Officer John Powell, Montgomery County (MD) Police Department

INSTALERT VARIABLE MESSAGE SIGN

Rapidly display custom messages wherever needed with portable and easy-to-use variable message signs.

VERSATILE MESSAGING

Display up to six screens of custom text and graphics.

RAPID DEPLOYMENT

Mount InstAlert on a portable post, pole, trailer, or vehicle hitch in just a couple of minutes.

PORTABILITY

InstAlert is the only variable message sign on the market that folds in half, making it easy to carry and transport in the trunk of a car.

InstAlert 18 & 24

InstAlert 18

InstAlert 24 on a portable post

InstAlert 24 on an ATS 5 trailer

InstAlert 24 on a hitch mount

for Easy
Transport!**

ATS TRAILERS

Combat your toughest traffic safety & messaging challenges with rugged, state-of-the-art trailers that are easy to maneuver as your needs change.

ATS 5 TRAILER

Large enough to quickly catch motorists' attention while still being compact enough to fit on narrow road shoulders and medians.

- Ideal for mounting larger signs
- Deliver messages and speed awareness with high visibility
- Can come equipped with a red and blue violator strobe bar to flash at speeding drivers

ATS 3 TRAILER

Eliminates the need for a permanent pole to mount your smaller radar speed and message signs on.

- Compact and convenient to deploy
- Pole rotates 360 degrees so you can point your sign in any direction
- Perfect for resolving neighborhood speeding complaints

ALPR CAMERA-READY TRAILERS

Make it easy to quickly deploy your preferred automatic license plate recognition (ALPR) system wherever needed. We partner with leading ALPR providers to seamlessly install their camera systems on our trailers* and provide:

- Maximum runtime for ALPR systems
- Superior mobility and flexibility when it comes to camera deployment
- Incredible ease of use

**Cameras must be purchased separately*

“I have to say, right from the beginning, All Traffic Solutions has shown excellent customer care. I have been telling other towns about your products.”

Danbury (CT) Police Department

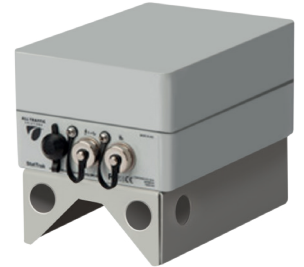

STATTRAK VEHICLE COUNTER CLASSIFIER

Easy to securely install in under 5 minutes.

This 3 lb. powerhouse is ideal for stealth speed studies:

- Collects vehicle counts, speed, volume and basic classification data (S,M,L).
- Built-in rechargeable battery pack with up to two weeks run time per charge. Simple point-and-go installation with audible signal to confirm aim.
- Data automatically uploads to TrafficCloud®, enabling you to generate custom, ready-made reports in PDF form for easy sharing.

SPEED LIDAR

- True color heads-up display
- High resolution rear matrix display with auto-blacklight
- Obstruction mode allows targeting through tree limbs, wires and fences
- 6000-ft. range
- 24-32 hours of operation with two C batteries

COMPACT LIDAR

- Unique vertical grip and cushioned brow pad eyepiece provide comfort and stable targeting
- Weighs only one pound with batteries
- Unity magnification heads-up display sighting system for rapid target acquisition and less eye strain
- 3000-ft. range
- 16 hours of operation with two AA batteries

ALL TRAFFIC SOLUTIONS

GIVESBACK

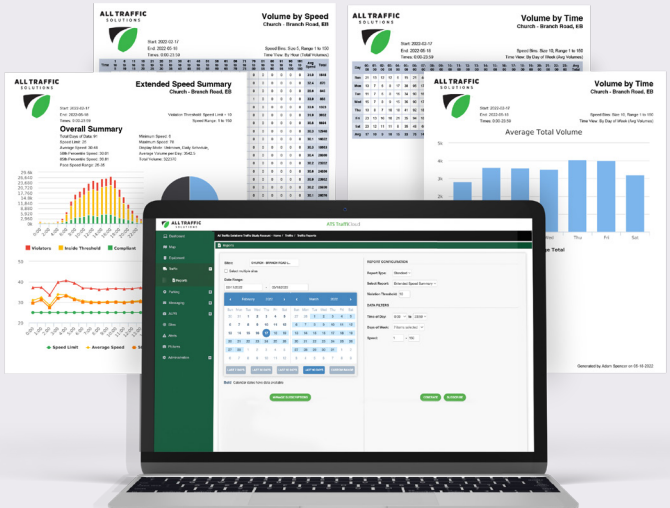

ATS GIVES BACK

Over the years, we have found that police departments in smaller communities have a need for All Traffic Solutions signs but lack the necessary funds and do not qualify for grants.

The ATS Gives Back goal is to bridge this gap.

Each month the All Traffic Solutions team selects two police departments to receive radar feedback signs free of charge.

Access All Your Traffic Safety Devices and Data in One Place with TraffiCloud

ATS TraffiCloud is patented, cloud-based software for managing all your traffic safety data and equipment securely from any internet connection.

Take a demo of TraffiCloud and discover the benefits of automated traffic management.

Remotely Manage Traffic Devices

Don't waste time driving to and from your traffic safety equipment only to monitor or update it. With TraffiCloud, you can do the following remotely, from anywhere, using any internet-connected device:

- Ensure that devices are on, properly functioning, and have adequate battery levels
- Change and update settings on all devices
- Design and deploy custom messages to one sign or multiple signs at once
- Schedule different messages for specific days and times
- Review, edit, print, and act on any useful images captured by devices

Set Alerts

Set up automatic text or email alerts for incidents like low battery levels, high speeds, tampering, new sign locations, and more.

You have complete control over which situations warrant alerts and who will receive the notifications.

Generate Ready-Made Reports

TraffiCloud makes resolving complaints and sharing data easier than ever.

TraffiCloud automatically uploads new data into a centralized SAS70-certified environment daily, and you can quickly generate ready-made reports in an easily-sharable PDF format.

Create reports on-demand at any time or schedule them for regular delivery to your email inbox for maximum convenience.

Premier Care Warranty

With your TraffiCloud subscription, you'll also get a perpetual Premier Care warranty on all your All Traffic Solutions products.

Premier Care gives you:

- Remote diagnostics and hardware defect repairs for the entire product lifespan
- 50% discount on repairs due to accidental damage or vandalism
- 50% off additional accessories for devices (brackets, batteries, etc.)
