

ALL TRAFFIC SOLUTIONS® TRAILERS WITH FLOCK SAFETY ALPR CAMERA SYSTEMS

SOLUTION CONFIGURATION

TRAILERS THAT SUPPORT FLOCK SAFETY ALPR CAMERAS

- **ATS 5 trailer with 120W or 160W solar:** Ideal for a one-camera system and when the sign on the trailer will primarily be used for basic messaging.
- **ATS 190W ALPR camera-ready trailer:** Ideal for supporting a multi-camera system and when multiple sign functions will be used (including speed-dependent messaging, strobe lights, and collecting data in high-traffic areas).

Requires Flock Safety Falcon Flex with Advanced DC kit for trailer installation.

KEY BENEFITS

Mobility: Quickly and easily deploy and move trailers as needed

Optimal runtime: Combination of battery and solar power can keep cameras running for weeks to months straight

Battery & tamper alerts: Receive email/text message alerts for low battery levels or tampering

Extreme versatility: Trailers can also share messages, slow speeding, and collect traffic data with signs attached.

EXTRA BATTERY BOX
- EXTENDED RUNTIME

190W TRAILER ONLY

DURABLE DESIGN
