

# ALL TRAFFIC SOLUTIONS® TRAILERS WITH MOBOTIX ALPR CAMERA SYSTEMS

## SOLUTION CONFIGURATION

### ATS 190W OR 380W TRAILER WITH MOBOTIX M73 CAMERA

The camera can be mounted on the trailer arm or the trailer's battery box. The arm allows the camera to be positioned forward and rear facing.

## THE INTEGRATION PROCESS IS EASY:

1. Purchase trailer and camera system separately
2. Request for your Mobotix rep to ship camera system to ATS production facility
3. We install the camera system on the trailer without any additional installation fees
4. We deliver your fully-integrated trailer to you
5. After delivery, we offer complimentary training on managing tamper alerts, low battery alerts, the sign mounted on the trailer, and more\*
