

ALL TRAFFIC SOLUTIONS® TRAILERS WITH INSIGHT LPR CAMERAS

SOLUTION CONFIGURATION

ATS 190W OR 380W TRAILER WITH INSIGHT LPR DEFENDER Q CAMERAS

The cameras are mounted on the trailer arms. The arms allow the camera to be positioned forward and rear-facing.

HOW TO GET THIS FULLY INTEGRATED LPR TRAILER:

1. Purchase trailer and camera system separately
2. We coordinate camera installation with your Insight LPR representative to deliver you a fully integrated trailer
3. After delivery, we offer complimentary training on managing tamper alerts, low battery alerts, the sign mounted on the trailer, and more*

**TraffiCloud® software subscription required—contact us to learn more.*

Cameras are positioned both forward and rear-facing
