

ALL TRAFFIC SOLUTIONS® TRAILERS WITH MOTOROLA L5F LPR CAMERA SYSTEM

SOLUTION CONFIGURATION

ATS 380W TRAILER WITH MOTOROLA VIGILANT L5F UPFIT KIT

Two LPR cameras are housed within the trailer's camera enclosure box and can face backward or forward.

All LPR components fit inside the camera enclosure box (cameras, tablet, wiring, etc.)

HOW TO GET THIS FULLY-INTEGRATED ALPR TRAILER

1. Purchase trailer and camera system separately. ATS can support with obtaining a quote for L5F Upfit Kit from Motorola Vigilant on your behalf, or you may request directly from your Motorola Vigilant rep.
2. Request for Motorola to ship camera system to ATS production facility
3. We install the camera system on the trailer without any additional installation fees
4. We deliver your fully-integrated trailer to you
5. After delivery, we offer complimentary training on managing tamper alerts, low battery alerts, the sign mounted on the trailer, and more*

**TraffiCloud® software subscription required*
